ImGonna (Backbone.js, Ruby on Rails)

Task and project management site. Inspired by Asana.

- Single-page app built on RESTful, namespaced API routes.
- Overrides Backbone's Model#parse method to access nested data in server response.
- Login via Facebook using OmniAuth.

SeaOfGreen (Javascript, HTML Canvas)

Browser shooter game. Inspired by Asteroids (and the Beatles' Yellow Submarine).

- Calculates object movement and detects collisions using vector algebra.
- Uses custom animations made with sprite sheets.

RailsLite (Ruby)

MVC framework. Inspired by Ruby on Rails.

- Leverages Ruby's metaprogramming abilities, applying methods such as instance_eval, binding, and define_method.
- Uses TDD, tests written in Rspec.

SKILLS

Ruby | JavaScript | SQL | JQuery | Ruby on Rails | Backbone.js | HTML | CSS
